WEEK ENDING 27/1/23

CHINESE NEW YEARS

This week we have been exploring Chinese New Year. During assembly we explored that this New Year celebration is often called Chinese New Year or it's sometimes called Luna New Year. For communities from East and South Eastern Asia, including China, Korea and Vietnam this is a very important festival, but it not just celebrated in these countries, it is a worldwide celebration. The Luna New Year date is decided by the first new moon of the year. People get together to celebrate with their families and friends. Celebrations last for up to 15 days.

Our EYFS EXCITE gave our children the opportunity to Taste authentic Chinese food and many asking for seconds. YUMMY!
