WEEK ENDING 17/2/23

ANOTHER SUCESSFUL HALF-TERM

It doesn't feel like long ago I welcomed you back from our Winter holiday, and now seven weeks later with an abundance of exciting learning opportunities we now end the first half of the Spring term. Your children have worked incredibly hard developing their writing and reading skills. Our EYFS and key stage 1 have continued to make impressive progress in their phonics sessions and we are looking forward to inviting you into school early next half term to share these productive sessions and explore how you can support your child at home.

Outdoor learning has been a key feature in our Spring curriculum offer. Forest school sessions have started and the children involved have had so many opportunities to learn together outside, managing safe risk, building self-confidence and exploring nature. Getting muddy in the process!

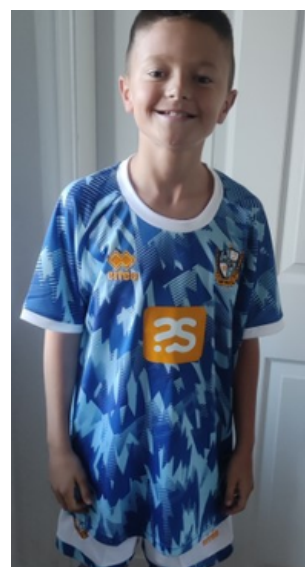

Our oldest children took the leap of faith and spent 3 days away from their home comforts. They all experienced new adventures, with the support of their friends including caving, zipwire, climbing and archery. Many memories made for both children and staff!

Early this term we all enjoyed inviting our families into school to share the children's personal progress and their Maths and English books. Thank you again for your continued engagement and support.

WELL DONE CHARLIE!

Each and everyone of our children have their own individual talents and It's my pleasure to share Charlie's with you. Charlie has demonstrated his skill and ability in football which has not only been recognised by Mr Farley and Mr Cattell but he has caught the eye of a professional football. He has now signed for Port Vale FC. A future football star!
