

PE and Sport Premium Report 2022-23

Vision for the PE and Sport Premium:

All pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

The 5 key areas of improvement:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Swimming and Water Safety

Swimming is an important skill and can encourage a healthy and active lifestyle. We currently provide swimming instruction in all of key stage 2. The [programme of study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Accountability

Ofsted assesses how primary schools use the primary PE and sport premium. They measure its impact on pupil outcomes, and how effectively the Standards and Performance Committee hold school leaders to account for this.

You can find details of what inspectors look for in the 'effectiveness of leadership and management' section of the ['Ofsted schools inspection handbook 2015'](#).

Swimming and Water Safety results 2022-2023

	2021-2022
The percentage of our Year 6 pupils that could swim competently, confidently and proficiently over a distance of at least 25 metres when they left our primary school at the end of last academic year	53%
The percentage of our Year 6 pupils that could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left our primary school at the end of last academic year	33%
The percentage of our Year 6 pupils that could perform safe self-rescue in different water-based situations when they left our primary school at the end of last academic year	47%
Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have we used it in this way?	Yes

Key barriers 2022-2023

- Poverty reducing children's participation in extracurricular activities and competitive opportunities.
- Low home aspirations.
- Improving outcomes due to lack of participation outside of school.
- Many children have had prolonged periods of inactivity since March 2020, reducing mental wellbeing, fitness, communication and physical skills.
